Background on Thresholds to Life (Organization)

Thresholds to Life is a training program for decision making, problem solving, and life planning taught by volunteers to prison inmates and offenders on probation in 30 locations in the United States. Developed and coordinated by the non-profit organization Decisions, Inc., the curriculum was initially developed in 1965 by Milton Burglass, a psychiatrist who had served time in a New Orleans prison for stock fraud.

Scope of collection

The Thresholds to Life collection includes records of the program in Greenfield, Mass., and contains newsletters, minutes, by-laws, treasurer's reports, correspondence, news clippings, brochures, and lists of volunteers, board members, and staff.
