A native of Barnstable County, Mass., John Stone was born on July 18, 1809, and spent the entirety of his brief life in the town of North Dennis. A general storekeeper and merchant who dealt in lumber and building materials, Stone married Elizabeth Downes on Dec. 8, 1832, only to see her die barely a year later. He married a second time to Isabella Nickerson Thomas (ca.1838?), with whom he had one son, John M. Stone, in 1839. Just 34 when he passed, John Stone died on May 18, 1843.

This volume is comprised of a number of miscellaneous accounts kept by Stone, and because there are no page numbers, the exact nature of the book is difficult to discern, however these include inventories of goods (apparently at Stone's store) and some records of expenditures.
