Scope of collection

The Massachusetts AFL-CIO records consist of proceedings, reports, resolutions, correspondence, memoranda, minutes, agenda, speeches, statements, clippings, flyers, newsletters, and publications. Nontextual material includes films, photographs, memorabilia, posters, sound recordings, and video recordings. The records span the years 1902 to 1995.

Records of sizable quantity that illustrate well the administrative workings of the Massachusetts AFL-CIO are proceedings and reports of conventions (included for each year from 1902 to 1994, except for a five-year gap from 1919 to 1923); minutes and agenda of Executive Council Meetings (especially for the years 1975 to 1993); and the President's Files (covering 1982 to 1990). In addition, while comprised of much less extensive material physically, the Merger Material in series 1, Subseries C contains significant information with regard to the creation of the Massachusetts AFL-CIO, as a result of the 1958 merger of the Massachusetts State Federation and the Massachusetts State CIO.

Taken together, the records best document the history of the organization in the 1980s and the early 1990s. This roughly parallels the presidency of Arthur Osborn, who served from 1979 to 1990. The President's Files, found in Series 1, Subseries F, are entirely those of Osborn. Other material in the collection reflects the influence of the Osborn presidency. For example, the records of the Education Committee (Series 1, Subseries H) include material from the College Scholarship Program, the budget of which Osborn worked to expand from \$30,000 to \$160,000. The impact of Osborn's leadership can also be detected in the records of the Prevailing Wage Campaign of 1988 (Series 3, Subseries A). Osborn served as chairman of the Committee for Quality of Life, which defeated a state ballot referendum that would have repealed the Prevailing Wage Law in Massachusetts. Moreover, Osborn represented labor on numerous boards of organizations not affiliated with the AFL-CIO, some records of which can be found in Series 4.

More detailed descriptions of the subseries can be found below.

With the exception of the Convention Files, minutes of the Executive Council Meeting, and Subject Files, the records were received from the office of the Massachusetts AFL-CIO with little or no discernible arrangement. While the file headings were maintained where possible, the arrangement of this collection was created by the processor. Series 1 reflects the hierarchical structure of the organization, as set forth in the 1987 edition of the constitution, the most recent year included in the collection. Series 2 and 3 are arranged chronologically, while Series 4 and 5 are arranged alphabetically by organization name and type of material, respectively. Nontextual and oversized material was removed from the normal series locations, and can be found in Series 5.

Series 1 reflects the hierarchical structure of the organization, as set forth in the 1987 edition of the constitution, the most recent year included in the collection. Series 2 and 3 are arranged chronologically, while Series 4 and 5 are arranged alphabetically by organization name and type of material, respectively.

Arranged chronologically. Complete except for a gap from 1919 to 1923. Includes proceedings, reports, resolutions, and yearbooks; not each type of record exists for each year. Proceedings are the most prevalent, included in each year except for the above gap. Reports are the next most represented item; resolutions and yearbooks do not appear in the collection until 1964. Two copies have been kept where possible.

D. CONVENTION FILES, 1957-1991

Arrangement is chronological; for the years 1981 to 1987, further arrangement within each year is alphabetical by subject. These records consist of correspondence, agenda, resolutions, lists, speeches, tickets, and invoices. Records of the Massachusetts State CIO conventions exist for 1957 and 1958; records of the merger convention exists for 1958; thereafter, all material pertains to the Massachusetts AFL-CIO. Contact sheets have been removed from folder 161, and can be found in Series 5, Subseries D.

E. EXECUTIVE COUNCIL MEETINGS, 1962-1993

Each year contains these records in that order; not all of the years, however, contain each of the four types of records. These are the files of Arthur Osborn, who served as president from 1979 to 1990. Biographical information about Osborn can be found in folder 817. This folder is at the end of the subseries--out of alphabetical order---as it was artificially created, and this seemed the most logical placement in order to maintain the integrity of the other records.

G. SECRETARY-TREASURER'S FILES, 1982-1990

Arranged alphabetically by subject. Consists of correspondence, memoranda, appointment books, clippings, and reports. Most of the material is from the term of Robert J. young people in the political process, covering 1980 to 1990. Information about Frontlash can be found in folders 995, 996, 1030, 1037, and 1038. The "Official Labor Record of the Massachusetts Legislature," a COPE publication that lists Massachusetts legislators and their voting records on labor issues, can be found in this subseries for the years 1927 to 1983. Photographs have been removed from folders 1019, 1026, 1030, and 1033, and can be found in Series 5, Subseries D. In addition, a phonograph record has been removed from folder 1042, and can be found in Series 5, Subseries E.

J. LEGISLATIVE DEPARTMENT, 1973-1989

K. PUBLIC EMPLOYEES DEPARTMENT, 1989-1991

Arranged alphabetically by subject. Includes correspondence, memoranda, minutes, lists, flyers, statements, and a speech.

L. NEWSLETTERS, 1963-1995

Arrangement is chronological within two different formats, both of which are entitled "Massachusetts Labor Leader." The Standard Format, printed on legal size paper, covers the years 1963, and 1982 to 1995; it is published irregularly, and is more comprehensive in coverage. The Newspaper Format, spanning 1981 to 1991, is published quarterly, and generally focuses on a fewer number of larger events and issues.

M. SUBJECT FILES, 1975-1991

Arranged alphabetically by subject. Includes correspondence, memoranda, clippings, reports, minutes, speeches, flyers, and statements. Photographs and negatives have been removed from folder 1159, and can be found in Series 5, Subseries D.

Separate audit reports for other years have been discarded, as they can be found in the printed reports included in series 1, Subseries B. B. REAL ESTATE, 44 TEMPLE PLACE, BOSTON, 1986-2000
